

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA**

UNITED STATES OF AMERICA,)	CASE NO. 8:05CR381
)	
Plaintiff,)	
)	
vs.)	TENTATIVE FINDINGS
)	
ANGELA D. HARMS,)	
)	
Defendant.)	

The Court has received the Revised Presentence Investigation Report ("PSR") and the Defendant's objections thereto (Filing No. 105). See "Order on Sentencing Schedule," ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory. The Court has also reviewed the Defendant's motion for downward departure or variance and the supporting brief (Filing Nos. 107, 108.)

Objections

The Defendant objects to the quantity of controlled substance attributable to the Defendant in ¶¶ 20-24 and 32 and the base offense level 32. The plea agreement reached pursuant to Federal Rule of Criminal Procedure 11(c)(1)(B) recommends a base offense level of 30 based on at least 350 but less than 500 grams of a mixture or substance containing a detectable amount of methamphetamine. The Court's tentative findings are that, absent unusual circumstances, the plea agreement should be upheld and the base offense level should be calculated as level 30.

Downward Departure or Variance

The Defendant requests a downward departure or variance based on extraordinary post-offense rehabilitation and overstatement of criminal history. The Defendant suggests a sentence of 60 months imprisonment. The motion will be heard at sentencing.

IT IS ORDERED:

1. The Court's tentative findings are that the Defendant's objections (Filing No. 105) to the PSR are granted;
2. The parties are notified that my tentative findings are that the PSR is correct in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall file, as soon as possible but in any event before sentencing, and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;
4. Absent submission of the information required by paragraph 3 of this order, my tentative findings may become final;
5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing; and
6. The Defendant's motion for downward departure (Filing No. 107) will be heard at sentencing.

DATED this 14th day of September, 2007.

BY THE COURT:

S/ Laurie Smith Camp
United States District Judge
